BUY SUFFICIENT YARN

That's rule number one in preparing to knit. In your initial purchase be sure to buy enough yarn to complete the article you intend to make. Get all the same *dye lot number*, as different dye lots of the same color may vary in shade and make it impossible to finish your article satisfactorily.

**To Block or Steam Yarn Garments**

Turn garment wrong side out. Lay flat on a pressing board. Pin edges of garment if necessary to make it lie flat. Lay a wet cloth over garment. Pass a hot iron over the cloth, allowing the steam to go through the garment. Do not allow the weight of the iron to rest on the garment. Leave garment pinned until thoroughly dry.
