An Asterisk (*) indicates that the directions immediately
following are to be repeated the given number of times in
addition to the ones already given. Thus ''repeat from * 3
times'' means 4 patterns in all. Sometimes instead of an
Asterisk the following phrase will appear (ch 10, skip 5 sts,
s c in next st) 3 times. This means, that whatever appears
in the parenthesis must be repeated the number of times
specified including the closed parenthesis. An even row
means work row without increasing or decreasing.
